

## WineWall 6ft, 11ft & 15ft

*Tailor-made to Indulge Yourself & Your Guests in Luxury*

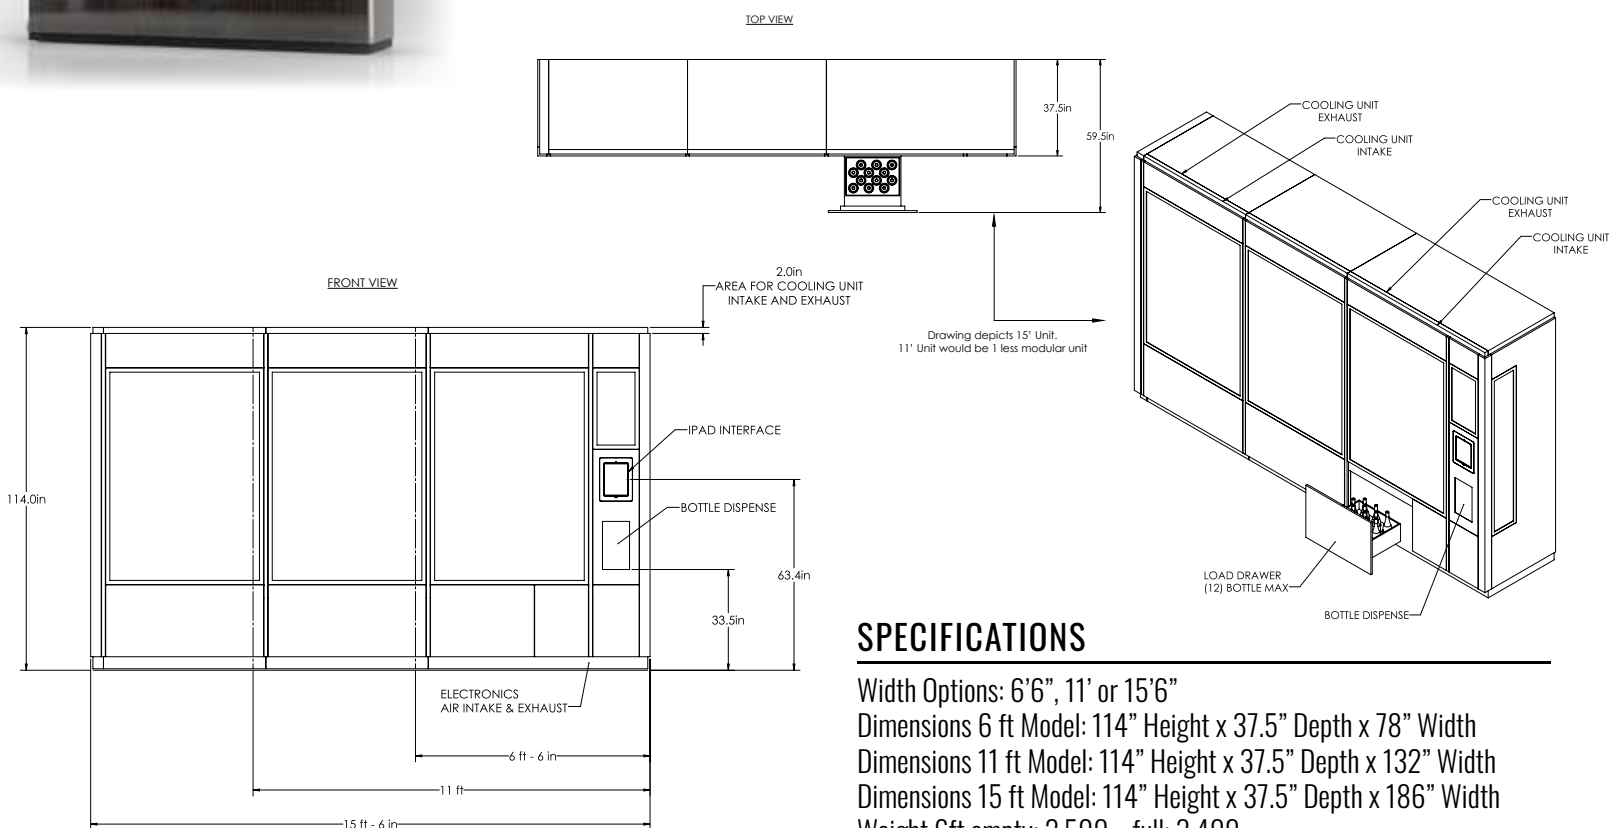

WINECAB

A New Innovation  
for the Timeless Luxury of Wine

The **WineWall Collection** from WineCab™ is the perfect balance of innovation and design, with a slim exterior. Watch as the robot seamlessly glides back and forth behind the display case, fetching and serving your wine to you and your guests. Whether it is enjoyed right in your own home, at a high end restaurant/bar or anywhere you can imagine, your wine collection will always be right at your fingertips with WineCab's sensory technology.
